

GLOBUS RELIEF

August 18, 2014

Haiti Health Initiative
Attn: Marc-Aurel Martial, RN, MPH, President
44 East 1430 North
Orem, Utah 84057

Dear Marc-Aurel

On behalf of Globus Relief, I would like to personally welcome you as a partner. We admire your organization's programs and goals, and hope that our partnership will further your ability to serve those in need. Working together, I am confident we can ease the lives of many people.

Please sign all three copies of the enclosed partnership and agreements I have emailed you. You can scan an electronic copy to my email listed below. Upon receiving these agreements, you are then able to receive product from us.

To better serve your organization, I would like to briefly explain some procedures for fulfilling your orders. The Globus catalog has over forty thousand items in inventory, which is viewable at our website www.globusrelief.org. Partners can place orders online or e-mail a list of needs to me. International partners are responsible for all custom clearance and country regulations regarding incoming shipments. Please also specify the date you would prefer to receive your order.

If you have any questions or concerns, please feel free to call me at **1-801-977-0444 x228** or contact me by e-mail, **vlake@globusrelief.org**. We look forward to working with you, and appreciate your continued efforts in behalf of those you serve.

Kind regards,

Vy Lake
Globus Relief
Humanitarian Development Coordinator
